My old
man's a pale ogsupher
now what do you think of
that he's got a pale ogsupher
overcoat and a pale ogsupher hat
he's got pale ogsupher elbowpatches
and pale ogsupher shoes and every
Saturday morning he feeds the
pale ogsupher news and some
day if I can im going to be a
pale ogsupher just
like my old man
